

PHASE II HOMEWORK 20 hours

Week One 1/18 - 1/24

1. Complete three full eyebrow practice pads using a 1S (red) needle and the whip shading technique learned in class. (about 6 hours)
2. Complete eyeliner practice using a 5 Round (dark blue) or 8 Round (brown) on the white practice pad. Keep the spare white pad for the next week's practice. (2 hour)
3. Send pictures of each completed practice pad to dermagrafix@gmail.com by 1/24.

Week Two 1/25- 1/31

1. Complete Eyebrows using whip shading techniques using one white practice pad. (3 hours)
2. Complete Eyebrows using whip shading techniques using one of the full color eyebrow practice pads. Show mapping (photograph before tattooing so it doesn't wipe off). Tattoo each set as evenly as possible in terms of color saturation and consistency. Take photos of your work for submission. (3 hours)
3. Complete eyeliner practice using a 5 Round (dark blue) or 8 Round (brown) on the white practice pad. (2 hours)
4. Send pictures of each completed practice pad and drawing to dermagrafix@gmail.com by 1/31.

Week Three 2/1 - 2/2

1. Complete five eyebrow / eyeliner drawings using the full face mapping pdf's sent in your pre-class study. (2 hours)
2. Review classroom manual and notes. (2 hours)
3. Send pictures of each completed drawing to dermagrafix@gmail.com by 2/2.

Week Four 2/3 - 2/5

1. Class / Procedure preparation: Wear black clothes and comfortable closed-toed shoes to class. Keep hair pulled back and nails clean and short. Be sure to bring your cell phone for taking client photos as well as your tablet or laptop, manual and notebook for notes. All class kit items will be taken home at the end of class on 2/5.
2. Any orders for additional supplies including practice pads, pigments, needles, or procedural supplies can be purchased for take-home or ordered and shipped.

Please be advised:

All assignments must be completed in full and are part of Phase II hours.

Uncompleted assignments / hours will result in forfeiting participation in Phase III.

Workbook must be also be completed and turned in prior to the beginning of Phase III.

Re-enrollment is required for students who do not complete phases in full. Student

support is available by calling during business hours or emailing dermagrafix@gmail.com.
